

**2023 Domaine Chante Cigale
Chateauneuf Du Pape Extrait Blanc**

Similarly hued, the 2023 Châteauneuf Du Pape Extrait Blanc checks in as equal parts Grenache Blanc and Roussanne that was brought up in demi-muid and concrete. Stone fruits, orange blossom, spice, and a hint of crushed mint define the aromatics, and it's beautiful on the palate, with medium-bodied richness and depth, good concentration, and a distinct sense of salty minerality on the finish. It might be the finest white I've tasted from this estate.
